EXPERIENCE

Academy, Lake Charles, Louisiana — *footwear Associate*

July 2022 - August 2022, May 2023 - January 2024

Stock shoe department and keeping department clean, helping customers find the product they are looking for and prepare section for closing

Walmart, Moss Bluff, Louisiana — *Produce Associate*

June 2020 - August 2021

Stocked produce shelves ensuring that produce was fresh. Assisted customers in finding products in the produce section and throughout the store. Maintained cleanliness of department and work area, including the stockroom. Displayed items for sale both inside and outside the store. Prepared section for closing at the end of the day.

Rouses, Moss Bluff, Louisiana — *Produce Associate*

October 2018 - February 2019

Stocked produce shelves ensuring that produce was fresh. Assisted customers in finding products in the produce section and throughout the store. Maintained cleanliness of department and work area, including the stockroom. Displayed items for sale both inside and outside the store. Prepared section for closing at the end of the day.

Waitr, Lake Charles, Louisiana — *Driver*

March 2018 - June 2018

Delivered customer orders from various restaurants throughout town quickly and efficiently. Ensured that orders were correct and food safety standards were met. Maintained communication with the home office in order to handle orders as efficiently as possible, and when needed for problems with orders. Maintained good working relationships with regular restaurants and regular customers.
